Sir:

STATEMENT PURSUANT TO 37 C.F.R. 1.137(b)

Enclosed herewith are a Petition for Revival of an Application for Patent Abandoned Unintentionally Under 37 C.F.R. 1.137(b), Amendment, and a Fee Transmittal authorizing the required fees of \$1,500.00 under 37 C.F.R. 1.17(m) and \$1,020.00 under 1.17(a)(3), filed in connection with the above-identified application.

The Amendment is submitted in response to the Office Action dated March 8, 2005. The delay in filing the response was unintentional. On July 29, 2005 applicants filed a continuation-in-part application, U.S. Application Serial No. 11/193,158, claiming the benefit of the subject application. When the continuation-in-part application was filed, the assignee's docketing department mistakenly removed the March 8, 2005 Office Action deadline from the undersigned's docket. Applicants and assignee at no time intended to abandon the subject application in favor of the later continuation-in-part application. The undersigned also notes that a Notice of Abandonment has not been received for the subject application.

CONCLUSION

It is respectfully requested that the Petition be granted and the Amendment entered in the subject application.

If the undersigned can be of assistance in advancing the application, please contact the undersigned at the number set forth below.

Respectfully submitted,

Matthew J. Golden
